

# Worldwide Unsaturated Polyester Resin Competitive Analysis and Leadership Study

Published: February 2017

Competitive analysis and leadership study based on the following criteria - company overview (company description and business segments, company statistics), unsaturated polyester resin business overview (unsaturated polyester resin business segments, global unsaturated polyester resin operations, key differentiators and strengths), products and product positioning (product line overview, product mapping, product positioning in market segments), production (global manufacturing operations), etc.

## Table of Content

### Table of Contents

#### 1. Competitive Leadership Analysis

- 1.1: Introduction
- 1.2: Competitive Analysis
  - 1.2.1: Product Mapping: Breadth of Product Offerings
  - 1.2.2: Leadership Quadrant Analysis

#### 2. Profile of Polynt

- 2.1: Introduction
  - 2.1.1: Polynt Corporation Description and Business Segments
  - 2.1.2: Polynt Corporation Statistics
- 2.2: Unsaturated Polyester Resin Business Overview
  - 2.2.1: Business Segments
  - 2.2.2: Key Differentiators and Strengths
  - 2.2.3: Key Polyester Resin Competitors
- 2.3: Products and Product Positioning
  - 2.3.1: Product Line Overview and Mapping
  - 2.3.2: Product Positioning in Market Segments
- 2.4: Markets and Market Positioning
  - 2.4.1: Market Position in Global Unsaturated Polyester Resin Business
  - 2.4.2: Volume Breakdown by Market Segments
  - 2.4.3: Volume Breakdown by Regions
- 2.5: Production
  - 2.5.1: Polynt Global Manufacturing Operations
  - 2.5.2: Production Capacities
- 2.6: Innovation and Market Leadership
- 2.7: Marketing, Sales, and Organizational Capabilities
  - 2.7.1: Marketing and Sales
  - 2.7.2: Management Commitment and Track Record

#### 3. Profile of Ashland

### 3.1: Company Overview

#### 3.1.1: Ashland Company Description and Business Segments

### 3.2: Unsaturated Polyester Resin Business Overview

#### 3.2.1: Unsaturated Polyester Resin Business Segments

#### 3.2.2: Key Differentiators and Strengths

#### 3.2.3: Key Polyester Resin Competitors

### 3.3: Products and Product Positioning

#### 3.3.1: Unsaturated Polyester Resin Product Line Overview

#### 3.3.2: Product Positioning in Market Segments

### 3.4: Markets and Market Positioning

#### 3.4.1: Market Position in the Global Unsaturated Polyester Resin Business

#### 3.4.2: Volume Breakdown by Market Segments

#### 3.4.3: Volume Breakdown by Region

### 3.5: Production

#### 3.5.1: Ashland Global Manufacturing Operations

#### 3.5.2: Production Capacities

### 3.6: Innovation and Market Leadership

### 3.7: Marketing, Sales and Organizational Capabilities

#### 3.7.1: Marketing and Sales

#### 3.7.2: Management Commitment and Track Record

### 3.8: Financial Strength

## 4. Profile of AOC

### 4.1: Introduction

#### 4.1.1: AOC Corporation Description and Business Segments

#### 4.1.2: AOC Corporation Statistics

### 4.2: Unsaturated Polyester Resin Business Overview

#### 4.2.1: Business Segments

#### 4.2.2: Key Differentiators and Strengths

#### 4.2.3: Key Polyester Resin Competitors

### 4.3: Products and Product Positioning

#### 4.3.1: Product Line Overview and Mapping

#### 4.3.2: Product Positioning in Market Segments

### 4.4: Markets and Market Positioning

#### 4.4.1: Market Position in Global Unsaturated Polyester Resin Business

#### 4.4.2: Volume Breakdown by Market Segments

### 4.5: Production

#### 4.5.1: AOC Global Manufacturing Operations

#### 4.5.2: Production Capacities

### 4.6: Innovation and Market Leadership

### 4.7: Marketing, Sales, and Organizational Capabilities

#### 4.7.1: Marketing and Sales

#### 4.7.2: Management Commitment and Track Record

## 5. New Solar Co. Ltd. Profile

### 5.1: Introduction

- 5.1.1: New Solar Co. Ltd. Company Description and Business Segments
- 5.1.2: New Solar Co. Ltd. Corporation Statistics

## 5.2: Business Overview

- 5.2.1: Unsaturated Polyester Resin Business Segment
- 5.2.2: Key Differentiators and Strengths
- 5.2.3: Key Polyester Resin Competitors

## 5.3: Products and Product Positioning

- 5.3.1: Product Line Overview and Mapping
- 5.3.2: Product Positioning in Market Segments

## 5.4: Markets and Market Positioning

- 5.4.1: Market Position in Global Business
- 5.4.2: Volume Breakdown by Market Segments
- 5.4.3: Volume Breakdown by Regions

## 5.5: Production

- 5.5.1: New Solar Co. Ltd. Global Manufacturing Operations
- 5.5.2: Production Capacities

## 5.6: Innovation and Market Leadership

## 5.7: Marketing, Sales, and Organizational Capabilities

- 5.7.1: Marketing and Sales
- 5.7.2: Management Commitment and Track Record

# 6. ALIANCYS A.G. (DSM) Profile

## 6.1: Introduction

- 6.1.1: Aliancys A.G. Company Description and Business Segments
- 6.1.2: Aliancys Statistics

## 6.2: Business Overview

- 6.2.1: Unsaturated Polyester Resin Business Segment
- 6.2.2: Key Differentiators and Strengths

## 6.3: Products and Product Positioning

- 6.3.1: Product Line Overview and Mapping
- 6.3.2: Product Positioning in Market Segments

## 6.4: Markets and Market Positioning

- 6.4.1: Market Position in Global Business
- 6.4.2: Volume Breakdown by Market Segments
- 6.4.3: Volume Breakdown by Regions

## 6.5: Production

- 6.5.1: Aliancys A.G. (DSM Composite Resins) Global Manufacturing Operations
- 6.5.2: Production Capacities

## 6.6: Innovation and Market Leadership

## 6.7: Marketing, Sales, and Organizational Capabilities

- 6.7.1: Marketing and Sales
- 6.7.2: Management Commitment and Track Record

## List of Figures

### Chapter 1. Competitive Leadership Analysis

Figure 1.1: Unsaturated Polyester Resin Types Offered By Resin Chemistry

Figure 1.2: Unsaturated Polyester Resins Offered By Market Segment  
Figure 1.3: Worldwide Unsaturated Polyester Resin Market for Composites in 2016  
Figure 1.4: Market Share Analysis of Worldwide UPR Market for Composites Marine Segment  
Figure 1.5: Market Share Analysis of Worldwide UPR Market for Composites Transportation Segment  
Figure 1.6: Market Share Analysis of Worldwide UPR Market for Composites Construction Segment  
Figure 1.7: Market Share Analysis of Worldwide UPR Market for Composites Segment Pipe and Tank Segment  
Figure 1.8: Market Share Analysis of Worldwide UPR Market for Composites Electrical and Electronics Segment  
Figure 1.9: North American Unsaturated Polyester Resin Market for Composites in 2016  
Figure 1.10: European Unsaturated Polyester Resin Market for Composites in 2016  
Figure 1.11: Asia Pacific and ROW Unsaturated Polyester Resin Market for Composites in 2016  
Figure 1.12: UPR Capacity of Top Five UPR Manufacturers (M lbs) in 2016  
Figure 1.13: Worldwide Top Five UPR Manufacturers Capacity (M lbs) in 2016  
Figure 1.14: Average UPR Capacity per Plant Site of Top Five UPR Manufacturers (M lbs): 2016  
Figure 1.15: Revenue per Employee (\$M) of Top Five UPR Manufacturer: 2016  
Figure 1.16: Percentage of Sales Revenue Invested In R&D: 2016  
Figure 1.17: Relative Positions of Each UPR Manufacturer in Four Quadrants

## **Chapter 2. Profile of Polynt**

Figure 2.1: Polynt Unsaturated Polyester Resin Product Types Offered by Resin Chemistry  
Figure 2.2: Polynt Unsaturated Polyester Resin Products Offered by Market Segment  
Figure 2.3: Polynt UPR Volume and Market Share for Composites Application in 2016  
Figure 2.4: Polynt Sales (%) by Major End Use of UPR for Composites in 2016  
Figure 2.5: Polynt Unsaturated Polyester Resin Product Offerings by Region  
Figure 2.6: Polynt UPR Market for Composite by Region in 2016  
Figure 2.7: Market Share of Polynt UPR (M lbs) for Composites by Region in 2016  
Figure 2.8: Polynt Unsaturated Polyester Resin Manufacturing Locations  
Figure 2.9: Polynt Business Investment for Regional UPR Manufacturing  
Figure 2.10: Polynt Production Capacity by Region: 2016

## **Chapter 3. Profile of Ashland**

Figure 3.1: Ashland Unsaturated Polyester Resin Product Types Offered by Resin Chemistry  
Figure 3.2: Ashland Unsaturated Polyester Resin Products Offered by Market Segment  
Figure 3.3: Ashland UPR Volume and Market Share for Composites Application in 2016  
Figure 3.4: Ashland Sales (%) by Major End Use of UPR for Composites in 2016  
Figure 3.5: Ashland Unsaturated Polyester Resin Product Offerings by Region  
Figure 3.6: Ashland UPR Market for Composites by Region in 2016  
Figure 3.7: Market Share of Ashland UPR (M lbs) for Composites by Region: 2016  
Figure 3.8: Ashland Unsaturated Polyester Resin Manufacturing Locations  
Figure 3.9: Ashland Business Investment for Regional UPR Manufacturing  
Figure 3.10: Ashland Production Capacity by Region: 2016  
Figure 3.11: Revenue, Operating Income and Net Income Trends for Ashland  
Figure 3.12: Performance Material Revenue for Ashland (2011-2016)

## **Chapter 4. Profile of AOC**

Figure 4.1: AOC Unsaturated Polyester Resin Product Types Offered by Resin Chemistry  
Figure 4.2: AOC Unsaturated Polyester Resin Products Offered by Market Segment  
Figure 4.3: AOC UPR Volume and Market Share for Composites Application in 2016  
Figure 4.4: AOC Sales (%) by Major End Use of UPR for Composites in 2016  
Figure 4.5: AOC Unsaturated Polyester Resin Product Offerings by Region  
Figure 4.6: AOC UPR Market for Composites by Region in 2016  
Figure 4.7: Market Share of AOC UPR (M lbs) for Composites by Region: 2016  
Figure 4.8: AOC Unsaturated Polyester Resin Manufacturing Locations  
Figure 4.9: AOC Business Investment for Regional UPR Manufacturing  
Figure 4.10: AOC Production Capacity by Region: 2016

## **Chapter 5. New Solar Co. Ltd. Profile**

Figure 5.1: New Solar Co. Ltd. Unsaturated Polyester Resin Product Types Offered by Resin Chemistry  
Figure 5.2: New Solar Co. Ltd. Unsaturated Polyester Resin Products Offered by Market Segment  
Figure 5.3: New Solar UPR Volume and Market Share for Composites Application in 2016  
Figure 5.4: New Solar Co. Ltd. Sales (%) by Major End Use of UPR for Composites in 2016  
Figure 5.5: New Solar Co. Ltd. Unsaturated Polyester Resin Product Offerings by Region

Figure 5.6: New Solar Co. Ltd. UPR Market for Composites by Region in 2016  
Figure 5.7: Market Share of New Solar Co. Ltd. UPR (M lbs) for Composites by Region: 2016  
Figure 5.8: New Solar Co. Ltd. UPR Manufacturing Locations  
Figure 5.9: New Solar Co. Ltd. Business Investment for Regional UPR Manufacturing  
Figure 5.10: New Solar Co. Ltd. Production Capacity by Region: 2016

## **Chapter 6. ALIANCYS A.G. (DSM) Profile**

Figure 6.1: Aliancys A.G. (DSM) Unsaturated Polyester Resin Product Types Offered by Resin Chemistry  
Figure 6.2: Aliancys A.G. (DSM) Unsaturated Polyester Resin Products Offered by Market Segment  
Figure 6.3: Aliancys A.G. (DSM) UPR Volume and Market Share for Composites Application in 2016  
Figure 6.4: Aliancys A.G. (DSM) Sales (%) by Major End Use of UPR for Composites in 2016  
Figure 6.5: Aliancys A.G. (DSM) Unsaturated Polyester Resin Product Offerings by Region  
Figure 6.6: Aliancys A.G. (DSM) UPR Market for Composites by Region in 2016  
Figure 6.7: Share of Aliancys A.G. (DSM) UPR (M lbs) for Composites by Region: 2016  
Figure 6.8: Aliancys A.G. (DSM) UPR Manufacturing Locations  
Figure 6.9: Aliancys A.G. (DSM) Business Investment for Regional UPR Manufacturing  
Figure 6.10: Aliancys A.G. (DSM) Production Capacity by Region: 2016

## **List of Tables**

### **Chapter 1. Competitive Leadership Analysis**

Table 1.1: Ranking of Suppliers Based on UPR Revenue  
Table 1.2: Ranking of Leaders in Marine, Transportation, Construction, Corrosion and Electrical and Electronics Segments  
Table 1.3: Ranking of leaders in North America, Europe, Asia Pacific, and Rest of World  
Table 1.4: Unsaturated Polyester Resin Leaders' Manufacturing Facilities  
Table 1.5: Major Parameters of Lucintel's Leadership Quadrant Analysis  
Table 1.6: Styrene and Alternative Substitutes
